Explore The Island

Tropical and enchanting Green Island is an idyllic coral cay where you can relax on the beautiful white sandy beach or explore the emerald island rainforest of the National Park.

A coral cay is a build up of rubble and sediments from thousands of years of wave action surrounding the reefs. Seeds and spores carried by the wind and birds have fertilised the island and enabled the growth of plant life.

And more on the Island...

- Spend time browsing the Resort Shops
- Use of the facilities including fresh water showers, change rooms & rest rooms
- Explore the island's flora and fauna on the **Rainforest Boardwalks**
- **Parasail*** over the Great Barrier Reef
- Take a **Seaplane*** flight and explore Green Island from the air
- Visit **Marineland Melanesia's*** nautical museum, rare Melanesian artefact display and see the live crocodiles
- **Hire*** canoes, surf skis, sailboards, shade umbrellas, beach volleyball gear

*Available at an additional cost
